Current Situation: Evacuations were lifted this morning at 10:00 a.m. Access to the affected areas will continue to be limited to residents only. Residents will be required to show identification and proof of residency in order to access the area. Firefighters will continue to mop up and perform overhaul work within the fire perimeter. Damage Assessment Teams have concluded their inspections and are working with the City and County to produce a final damage inspection report. Excess resources are being released and made available for other incidents as necessary. Utility crews are continuing to assess and repair damaged equipment and infrastructure.

If you feel you have information regarding the Boles Fire, please contact 1-800-468-4408. A reward of up to \$10,000 may be offered for information leading to the cause of the fire.

Evacuation Center at the Mt. Shasta Armory located at: 518 Everett Memorial Hwy in Mt. Shasta, will remain open to provide shelter for displaced residents.

The Salvation Army is no longer in need of any tangible donations.
